

We cordially invite you to participate in

# PROBASTAT 2024

the 8th International Conference on Probability and Statistics,  
which will be held from **May 20 to 24, 2024, at the Smolenice Castle in Slovakia.**

**PROBASTAT 2024** continues a rich tradition that spans more than 40 years, serving as a vibrant platform for the exchange of ideas and research across all facets of statistics. Over the years, this conference has fostered a warm and collaborative academic ambiance within the captivating surroundings of Smolenice Castle. We are eager to carry forward this tradition of scholarly camaraderie and inspiration.

**PROBASTAT 2024** will feature a diverse program, including invited talks, contributed presentations, and poster sessions, with a primary focus on the following research areas:

- Parametric and Nonparametric Statistical Models,
- Multivariate Analysis, Regression and Mixed Models,
- Optimal Experimental Design,
- Applied Statistics.

More comprehensive details about the conference will be consistently updated. We encourage you to stay informed by visiting our official website:
